Handwriting sheet: Precursive Arrow worksheet

Word list: ph words - set 1

The /f/ sound in English is often represented by the letters *ph*, particularly in words borrowed from Ancient Greek. Words like *photograph*, *telephone*, and *microphone* showcase this spelling pattern. You'll also encounter it in various scientific and academic terms. As you explore this list, pay close attention to the pronunciation of these *ph* words—it's all about that /f/ sound!
