

Handwriting sheet: Precursive Arrow worksheet

Word list: Long /oo/ spelled *ou*

Did you know that the letters *ou* can make the long /oo/ sound? While *ou* is often found in words with different pronunciations, in this list, it creates the same sound you hear in *group*, *through*, and *youth*.

This spelling isn't as common as *oo* in words like *moon* or *food*, but learning to spot it will help you read and spell with confidence. Pay close attention to how these words are used in sentences, and click on each one to explore its meaning and pronunciation. The more you work with these words, the easier spelling will become!
